

Endurance GB

Try Before You Buy

You may purchase up to two 'Try Before You Buy' tickets from Endurance GB. Each ticket costs £31 and will allow you to compete in one Ungraded Competitive Ride (CR) of up to 34km without having to join Endurance GB or register your horse. You will be made a Temporary Day Member and will be insured for the day on Endurance GB Public Liability Insurance.

In order to enter, you may purchase ticket(s) from the Endurance GB office at Stoneleigh. Each ticket should then be sent to the Ride Organiser with your entry form. Should you subsequently join Endurance GB the ride(s) will NOT be entered retrospectively on the horse's Master Card.

If a rider, having entered, is unable to attend the ride, the ride ticket can be reclaimed by informing the ride organiser by phone or in writing before the closing date. If the withdrawal is after the closing date the ride ticket can only be returned on receipt of a doctor's certificate or vet's certificate and an SAE.
